ATSUSHI MAKINO, RA, NCARB

ASSOCIATE PRINCIPAL

Atsushi is a meticulous architect with an eye for detailed design planning and implementation. He is adept at applying knowledge of architectural principles and practices, and focused on coordinating project efforts with the architectural and engineering teams. His expertise includes high rise, mixed use, multifamily and senior living. He plans, directs, and supervises all operations included in QA/QC and large, complex projects or several moderately sized projects with greater risk and complexity, and significant financial impact. He received his Bachelor of Architecture degree and Master of Architecture from Savannah College of Art and Design (SCAD) and has been a licensed architect since 2010.
